

Financial Review Committee Responsibilities for 4-H Club/Group and Other Extension Affiliated Accounts

Kansas Extension Council law as well as federal and state expectations for use of all funds generated in support of Extension programs, require the Director of Extension and Extension Council/District Boards to be accountable for non-appropriated funds generated for Extension programs within their jurisdiction. In other words, the Director of Extension and the Executive Board are accountable for funds raised and/or collected by such groups as 4-H Clubs, 4-H Councils, and Master Gardeners. In order for the Extension Council/District to ensure compliance with financial requirements for 4-H and other Extension affiliated groups, a yearly financial review of those accounts is to be conducted by a Financial Review Committee of the club/group.

Of most importance are the following principles:

- Utilize the 4-H Club Treasurer Job Description in 4-H officer training.
- Each 4-H Club or other Extension affiliated group bank account **should have two signatures for expenditures** (checks and withdrawals).
- An annual financial report must be filed with the Extension Council/District Board. A suggested deadline is November 1st for 4-H Club accounts.
- All club/group accounts must have their own employer identification number (EIN) from the Internal Revenue Service. **The Extension Council or 4-H Council number is not to be used.** Personal social security numbers may not be used for these groups.

The financial review process helps teach lessons of accountability, the importance of keeping good records, and assures we are in compliance with state and federal expectations, as well as IRS requirements, for use of non-appropriated funds generated to support Extension programs. The financial review committee should be composed of three or more members with a recommendation of two adults and two youth for 4-H Clubs. Committee members should not be signatories on the account, or have family or financial relationships to the treasurer or anyone else that is signatory on the account.

The financial review committee should be concerned with the following objectives:

- Verification that established policies, procedures and internal controls are being followed in the daily operation of the program.
- Verification that accounting records and financial statements are accurate and complete.
- Verification that "Principles of Managing Non-appropriate Funds Collected by Kansas Extension Councils and District Governing Bodies" are being followed.

The financial review committee should make comments and recommendations regarding the financial records and procedures for the club/group. All areas of non-compliance (no matter how small) should be summarized by the financial review committee and brought to the attention of the club/group and included in the financial report. The financial report is a permanent part of the financial records of the club/group and a copy should be kept with club/group records.

4-H CLUB TREASURER JOB DESCRIPTION

You are the keeper of the money for your club. Your job is more than just collecting and spending money for your club. You must also keep an accurate record of all money collected and spent. You must be able to report to the club where the money came from and what it was spent for. As you know money is important to people, therefore it is very important you keep good records of the money you handle.

1. When you become Treasurer you should go to the bank with the Club Leader to update the signature card. Clubs should have 3-4 officers and/or leaders on the signature card, and none of them should be related.
2. Don't spend any money without club approval. A motion to pay a bill should be passed and recorded in the minutes.
3. Write checks for all expenditures. Do not pay bills with cash. Do not do business by online or internet banking. Have a bill and get a receipt.
4. Keep club money and your own money separate. Don't use club money for yourself. There may be legal consequences.
5. Club accounts should have two signatures for expenditures (checks or withdrawals).
6. Use the *4-H Treasurer's Record Book - 4-H 474* to keep your records.
7. Keep all bills and receipts, and all other information. When in doubt keep it. You can't keep too much information.
8. Answer all questions truthfully. If you don't know, say you don't know but promise to get them the answer. Then get help from your leader and get the answer.
9. Prepare a budget to guide the club. Communicate to the club its financial position.
10. Provide the following information for the 4-H club "financial review" committee:
 - Club budget
 - Treasurer's ledger report (check register)
 - Financial Institution Statements (Bank Statements)
 - Canceled checks and deposit slips
 - Receipts of all income
 - Bills for all expenses
11. Have club "financial review" committee send "Financial Review Report" to the county/district extension office by November 1.

When you make your Treasurer's report -

Start with the previous balance. **"The beginning balance was \$ _____."**

State all income and where it came from. **"Income was \$ _____ from _____ and \$ _____ from _____, for a total income of \$ _____."**

State all expenses paid. **"Expenses were \$ _____, for _____ and \$ _____ for _____, for a total of \$ _____."**

Finish with the ending balance. **"The closing balance is \$ _____."**

(This is the actual balance you have on your records and in the bank.)

Present any outstanding bills for payment. **"We have a bill from _____ for \$ _____ (amount) for _____ (what it was for)."** Have club members pass a motion to approve payment before you pay the bill (see #1 above).
