

Extension Master Gardener Public Events 2018

Addressing Your Problems One on One

Response Line: Call or walk in with your specific questions.

Open weekdays, April through September Monday-Thursday 1-5 p.m., Friday 9 a.m. - noon & 1-5 p.m.

Phone: (785)232-0062 ext. 105. Shawnee County K-State Extension Office, 1740 SW Western, Topeka.

Farmers Market: Stop by our booth on the second and fourth Saturdays of the month, April 8 through Sept. 23 from 7:30 a.m. to noon in the parking lot just south of the Judicial Building, 12th & Harrison.

Sick Plant Clinic: Experts from K-State and our community will be available to you. They will inspect your problem plant materials in order to diagnose and recommend treatment for your lawn, landscape and gardens. Please join us for this free event, Monday, June 25th from 10 a.m. to 3 p.m. at the Fairlawn Plaza Mall.

Classes and Workshops (schedule on back)

Classes: Offered at the Topeka and Shawnee County Public Library, 1515 SW 10th St. A variety of topics will be presented. See our website for class descriptions.

Workshops: Offered at the K-State Extension Office (upstairs meeting room), 1740 SW Western, Topeka. Learn, create and take home a garden related item. Registration required and a minimal materials fee will be charged. See our website for additional information.

Vegetable Gardening & Composting Demonstrations*

Vegetable Gardening Demonstrations: Visitors can observe gardening techniques in action and ask questions about growing food in their own gardens. Master Gardeners will be available every Saturday, April 1 through Oct. 28 from 9 a.m. to 10 a.m.

Compost Demonstrations: Learn the basics of composting and how to use this “black gold” in your gardens to experience improved results. Demonstrations are held on the first Saturday in April and October.

*The Shawnee County Extension Master Gardeners Vegetable Garden and composting demonstrations are held just off the Expocentre's south parking lot, next to the locomotive.

Community Events

Master Gardeners are involved in many gardening and environmental events throughout the year. Save the date for the already scheduled events listed on the back. Please check our website frequently for updated events.
