**From Farm To You is Back!**

The Shawnee County Extension office is happy to announce we will be hosting From Farm to You in 2024! This is the first time we have had this program since 2019.

From Farm to You will be held **April 23rd** from 9:00am-2:00pm in Domer Arena. We have 750 Shawnee County second graders attending to learn about where their food comes from. We need 4-H'ers (8th graders and above) to act as group leaders throughout the day. 4-H'ers will guide the students and their teachers from learning station to learning station.

This is a great service project and is also fun to watch the second graders learn about their food. We will provide lunch that day and if your school needs a note for your absence, we can do that too! Please email Candis Meerpohl at candism@ksu.edu and let her know if you can help with this program.

Rossville Rustlers

The Rossville Rustlers ended the year with some fun and festive winter activities. The club assisted the local churches and held a local food drive at both the grade school and high school. It was a success and the high school 4-Hers helped transport the items. The club gave prizes to the 1st, 2nd and 3rd place classrooms at the grade school. The club sponsored a cookie decorating booth at the Rossville Christmas Festival. In December, the club got together and sang Christmas Carols to the residents of Oakley Place Senior Living Facility and had a meeting discussing activities for the new year. The club decided to sponsor a craft at January Jamboree and will go ice skating in January. 4-Hers and families enjoyed a dinner from Qdoba and 4-Hers also enjoyed a reindeer game to close out the night along with wrapping gifts for the adopt-a-family project.

Cameron Thompson, Reporter

Indian Creek

This year's December meeting consisted of decorating Christmas cookies with residents at Home of the Flint Hill's, singing Christmas Carol's, and having a gift exchange.
