Jamberry

Ideas to keep the story alive in your child's heart!

Make berry-scented play-doh; then let your imagination soar-berry!

Have your child color a picture of his/her favorite berry. Then cut short streamers from crepe paper. With the berry in one hand and the streamer in the other, prance to music in a merry, berry way.

Fruit Medley Melody: Encourage your child to personalize this song by naming the fruits he/she chose to include in his/her own fruit salad. *(Sung to the tune of "Jack and Jill")*
(Pears) and (grapes) went in the bowl.
(Bananas) and (cherries) were added.
(Apples) were next and tossed the rest.
I made my own fruit salad.
