

## **Support the Shawnee County Extension Master Gardeners with Your Dillons Plus Shoppers Card**

The Kroger Community Rewards program will provide a percentage of the money allocated for our community to participating non-profit organizations. These “cash-back” rewards are based on your purchases at Dillons food stores. Designating a recipient in the Community Rewards program does not affect your fuel points or any savings you derive from your Dillons Plus Shoppers Card. Please register your Dillons Plus Shoppers Card to support the Shawnee County Extension Master Gardeners.
